Acknowledgements

Your visits, phone calls and prayers are especially appreciated in this time of needed comfort and love. It has been a great comfort to the family knowing that our mother, grandmother, auntie was not alone during her time here on earth. The very same care and concern that was showed to her has been displayed upon us and we too are not alone in this time of loss. Thank you and God bless you all.
Love,

The Hundon/Poole Family
